Here's a long description that I wrote. I figure if someone is looking for a great Westy, they'd want all the details up front. Call me directly if you'd rather. My number is on the last line of this posting.

This 1984 water-cooled California, rust-free Vanagon Westfalia originally purchased in San Diego. It has the original blue and gold California license plates meaning that it was never registered outside of the state. So it's been in a rust-free environment its entire life

It has a brand new, customized paint inside and out, with an incredible looking two-tone dash/cockpit area, Brand new plaid-type fabric for the seats, new foam in the upholstery, custom paint on the interior, and exterior. You'll never find another like this. And it's a totally rust-free, ORIGINAL California Westfalia.

----- AESTHETICALLY -----

Looks brand new inside and outside. Very cool with the custom upholstered seats. No rust at all.
